

**SABR Youth Player Age Groups
2024-2025 Season**

SABR adheres to the US Youth Soccer guidelines for assigning children to our Boys & Girls age groups. Players are placed in their age group based on their year of birth as of the beginning of our season. Children born 2013 - 2020 play in single year age groups. Under 15 and Under 19 Divisions are multi-year age groups. Children born 2010 - 2012 play together in our Under 15 divisions. Children born 2006 - 2009 play together in our Under 19 divisions. All of our age groups are single gender.
